

Capitalism Plus Dope Equals Genocide

In western civilization, devices as crucifixions or tortures, usually for the satisfaction of the herd, have always destroyed the Rebel openly. A modern "civilized" method of ridding society of "difference" is to marginalize or murder the Rebel softly. One of the many tools of soft murder most capitalist systems use is drugs. During the early 70's a Black Panther Michael "Cetewayo" Tabor wrote a pamphlet that brings this method to light. "Dope is a form of genocide in which the victim pays to be killed." [Read more](#)
